I, Mark A. Sutter, Alberta Land Surveyor, hereby certify that this Report, which includes the attached plan and related survey, was prepared and performed under my supervision, direction, and control and in accordance with standards and rules for the practice of surveying prescribed by the Alberta Land Surveyors' Association. Accordingly, within those standards and as of the date of this Report, I am of the opinion that:

- the plan illustrates the boundaries of the subject Property, the improvements as defined in Part C, Section 6.5 of the Alberta Land Surveyors' Association's Manual of Standard Practice, and the defined limits of registered interests affecting the extent of the title to the subject Property;
- the improvements are entirely within the boundaries of the subject Property except: NONE IDENTIFIED
- no visible improvements situated on an adjoining property cross the boundaries of the subject Property except: Adjacent Wood Arbour (and Eaves) extend 0.15m and Adjacent Wood Retaining Wall extends 0.28m into Lot 27.
- no visible improvements exist within the defined limits of any registered interests affecting the extent of the subject Property except: NONE IDENTIFIED

Purpose: This Report and attached plan have been prepared for the benefit of the subject Property owner, subsequent owners, and any of their agents for the purposes of a land conveyance, support of a subdivision application, a mortgage application, or a submittal to the municipality for a compliance certificate. Copying is permitted only for the benefit of these parties, and only if the plan remains attached.

The owner is responsible for the review of this Real Property Report and to report any discrepancies or omissions within 3 months of the issuance of this report to the surveyor. Failure to report the discrepancies relieves Third Rock Geomatics Ltd. of any future liabilities or claims. Some improvements may not be shown if they are, in the opinion of the surveyor, considered to be temporary or do not substantially affect the value of the property.

Where applicable, registered interests affecting the extent of the Property have been shown on the attached plan. Unless shown otherwise, property corner markers have not been placed during the survey for this Report. The attached plan should not be used to establish boundaries (e.g., for fencing) because of the risk of misinterpretation or measurement error by the user. The information shown on this Report reflects the status of this subject Property as of the date of survey only. Users are encouraged to have the Real Property Report updated for future requirements because subsequent development changes will not be reflected on the existing Real Property Report.
