I, Jody E. Clarke, do hereby certify that this report was prepared and performed under my supervision, direction, and control, and in accordance with the standards and rules for the practice of surveying prescribed by the Alberta Land Surveyors' Association. Accordingly, within those standards and as of the date of this Report, I am of the opinion that:

1. The Plan illustrates the boundaries of the subject Property, the improvements as defined in Part C, Section 6.5 of the Alberta Land Surveyors' Association's Manual of Standard Practice, and the defined limits of registered interests affecting the extent of the title to the subject Property;
2. The improvements are entirely within the boundaries of the subject Property, except 1;
3. No visible improvements situated on an adjoining property cross the boundaries of the subject Property, except nil; and;
4. No visible improvements exist within the limits of any registered interests affecting the extent of the subject Property, except nil;
5. Title information is based on a title search dated June 22nd A.D. 2026 C. of T. No. 051 081 203.
6. The dimensions shown relate to distances from Property boundaries to foundation walls at time of survey.
7. Distances are in metres and decimals thereof.
8. This document is not valid unless it bears an original signature (in blue ink) and a red Vista Geomatics Ltd. permit stamp.
9. **Purpose:** This Report has been prepared for the benefit of the Property owner, subsequent owners and any of their agents for the purpose(s) of a land conveyance and/or a submittal to the Municipality for a Compliance Certificate. Copying is permitted only for the benefit of these parties. Where applicable, registered easements and utility rights-of-way affecting the extent of the Property have been shown on the plan. Unless shown otherwise, property corner markers have not been placed during the survey for this Report. The plan should not be used to establish boundaries (e.g., for fencing) because of the risk of misinterpretation or measurement error by the user. The information shown on this Report reflects the status of this Property as of the date of survey only. Users are encouraged to have the Real Property Report updated for future requirements because subsequent development changes on the property will not be reflected on the Report.
10. This survey was performed between the dates of: July 2nd, 2026 and July 6th, 2026.

An encroachment(s) has been identified on this Real Property Report. Encroachments into City of Calgary property may require authorization to be permitted to remain. Please scan and e-mail a copy of the Real Property Report to encroachments@calgary.ca
