DESCRIPTION OF PROPERTY

LOT 15
PLAN 3824 AH

I hereby certify that this Report, which includes the attached plan and related survey, was prepared and performed under my supervision, direction and control and in accordance with standards and rules for the practice of surveying prescribed by the Alberta Land Surveyors' Association. Accordingly, within those standards and as of the date of this Report, I am of the opinion that:

1. The Plan illustrates the boundaries of the Property, the improvements as defined in Part C, Section 6.5 of the Alberta Land Surveyors' Association's Manual of Standard Practice, registered easements and rights-of-way affecting the extent of the title to the property;
2. The improvements are entirely within the boundaries of the property unless otherwise noted;
3. No visible encroachments exist on the Property from any improvement situated on an adjacent property unless otherwise noted, and;
4. No visible encroachments exist on registered easements or rights-of-way affecting the extent of the property, unless otherwise noted.
5. Title information is based on a title search dated April 1st, 2026 C. of T. No. 211 200 940.
6. Date of Survey August 19th, 2026
7. Unless otherwise specified the dimensions shown relate to distances from Property boundaries to foundation walls at time of survey.
8. Distances are in metres and decimals thereof.
9. This document is not valid unless it bears the original digital signature of David Mazurkewich, (Alberta Land Surveyor) and the Global Raymac Surveys's permit stamp.
10. Purpose: This report has been prepared for the benefit of the Property owner, subsequent owners and any of their agents for the purpose of a real estate transaction. Copying is permitted only for the benefit of these parties. Where applicable, registered easements and utility rights of way affecting the extent of the property have been shown on the plan. Unless shown otherwise, property corner markers have not been placed during the survey for this report. The plan should not be used to establish boundaries due to the risk of misinterpretation or measurement error by the user. The information on this Real Property Report reflects the status of this property as of the date of survey only. Users are encouraged to have the Real Property Report updated for future requirements.

11. Fence from subject property encroaches into the Walkway as shown.
12. This survey has been updated as of August 21st, 2026 (Ref. Job No. 26CR0203).
