CHECKLIST

Checklist items:		NOTES FOR TEMPORARY CONSTRUCTION STAGE
1. Will construction require the temporary detour of a bus route?	YES	The construction stage requires the temporary relocation of Bus Stop 6695, as it falls within the work area. The stop is anticipated to be temporarily relocated to the north for the duration of this construction phase.
2. Will this work block a bike lane?	NO	Saint-Laurent Boulevard does not currently have a dedicated bike lane along this section
3. Will this work block a sidewalk?	YES	The construction stage may require the closure of the west-side pedestrian facilities on Saint-Laurent Boulevard. Pedestrian protect may be required to maintain sidewalk operation if encroachment occurs.
4. Will this work require a lane of traffic to be closed?	YES	A short term lane closure may be required for various phases of work or material delivery. A minimum of one lane in each direction must be maintained at all times.
5. Will this work require road closure?	NO	A full road closure is not required. At least one lane in each direction will remain open during off-peak times.
