PLAYWORLD

Motion Play
Quattro Seesaws
Product: ZZX00598

Ages 2-12yrs

Space Required
15' 8" x 20' 6"
(4,78m x 6,25m)

Product Description

Ideal for building strength & coordination, and encourages cooperative play. Unique spring design prevents "bottoming out" for safer play. Accommodates four 'riders' with room on the center platform for more 'passengers' to enjoy the fun. Made of durable steel and plastic.

Product Details

Size: 3' 9" x 8' 6" x 2' 6"H	**Capacity:** 6
Color: Available in any Playworld color(s)	**Weight:** 483 lb
Install Hours: 5	**Fall Height:** 2' 1"

NOTE: COLOUR TO BE SELECTED BY CONSULTANT

FOOTING NOTES

- All support posts and component support legs may have either a factory-applied sticker with line, or factory-applied mark designating protective surfacing level on a clear and level installation site.
- If play structure is installed on uneven terrain, maintain support post mark at protective surfacing level at lowest grade. Adjust other footings accordingly. Support posts and all attaching decks and play components must be plumb and level.
- Footing size may vary due to local soil and weather conditions.
- Base of footing must be below frost line.
- Comparison of protective surfacing materials is available in Handbook for Public Playground Safety published by U. S. Consumer Product Safety Commission.

Surface mount hardware is not supplied. Customer is responsible for concrete base and providing surface mount hardware as specified by a registered structural engineer for each specific project application.
